Everybody On

a more convenient digital world

HP Accessories make staying connected easier than ever

Technology is personal. It is about accessing your digital world in a way that reflects your unique personality. That lets you connect to your content **wherever you want, however you want, and look great doing it.**

Discover HP's comprehensive range of distinctive accessories designed to meet your needs, budget, and lifestyle. Choose from Wi-Fi mice that let you truly roam, webcams that make you feel like you are really there, or wireless audio and video streaming to your home stereo and TV.

HP is the respected leader in high-quality personal computers. So you can rest assured that our accessories are superbly conceived, with the premium quality and performance you'd expect from HP.

Simply page on to discover our range. You'll find it is both extensive and stylish. All HP accessories are designed for comfort, convenience and ease-of-use, and come backed with our industry-leading service and support.

See our accessory finder online too, at:
hp.com/eur/accessories

Also choose from a range of options, such as **HP Total Care**, which includes the extensive range of HP Care Pack Services.

mice in motion

How Wi-Fi® direct technology works

HP Wi-Fi® Mice feature ground-breaking **Wi-Fi®[1] connectivity** that eliminates wires and USB receivers. They connect **directly** to your computer's built-in Wi-Fi® receiver. No router or network connection is needed.
Now you really have the liberty to roam.
So, **get up and move**, because you've got up to 10 meters to play with.

NEW

HP Wi-Fi® Touch Mouse X7000

The envy of all other mice.

- Revolutionary touch-sensitive scroll for more fluid control and hyper-fast scrolling
- Contoured to fit the shape of your hand with flared bottom for added finger support
- Programmable six-button efficiency includes one-click upload to Facebook© [2]

QA184AA#ABB

HP Wi-Fi® Mobile Mouse

Total freedom: no wires, no receivers.

- Long battery life: lasts up to 9 months, twice as long as comparable Bluetooth® models[3]
- Customizable to you with five programmable buttons to create application shortcuts
- Sculpted, symmetrical design fits your hand like a glove with rubber sides for a secure grip and all-day comfort

LQ083AA#ABB

All Wi-Fi® Mobile Mice require only a one-time set-up with Microsoft® Windows® 7 (compatible only with this operating system).

[1]Requires Microsoft® Windows® 7-certified computer. – [2]Internet connection required and not included. Facebook© subscription required.
[3]Expected battery life of HP Wi-Fi® Mobile mouse is based on internal tests using industry-accepted standards for calculating average battery life.

HP Bluetooth® Portable Speaker

Small size. Big entertainment sound.

Power-packed audio performance: The 20Hz–20KHz frequency range enhances the rich sound. Two-inch drivers deliver crisp, clean clarity. 80 dB S/N ratio means less distortion and less background noise. Plus, the slightly angled case optimizes audio blasting power.

- Universal Bluetooth® compatibility: This wireless HP speaker easily connects to any Bluetooth®-enabled device so you get the best of all worlds. Laptop. Smartphone. Tablet.
- Built-in micro/standard USB port makes it easy to charge and use your device at the same time.
- Don't have Bluetooth®? You can still plug it in. Check out the 3.5mm audio jack located in the back.

A5V91AA#ABB

HP Digital Portable Speaker

Compact and leightweight, these speakers are an ideal option for highly mobile laptop users. They're designed for **easy portability** and **optimal stereo enjoyment,** anywhere you are. Get better volume and a wider frequency response to finally hear what you've been missing in the music and movies on your laptop! Enjoy the HP Digital Portable Speaker with one simple USB connection for notebooks, to maximise your digital audio experience.

- Smart, portable design
- Enhanced frequency response and greater volume than built-in speakers
- Volume control and mute buttons

WN483AA#ABB

HP Notebook Speakers

- USB-powered HP Notebook Speakers deliver big sound in an ultra-compact, versatile package
- Small and lightweight for easy portability, everywhere you go
- Sold in protective travel case

NN109AA#ABB

HP SPEAKERS

HP 2.1 Compact Speaker System

Maximise your audio experience with the HP 2.1 Compact Speaker System.
With two speakers and a 10.2 cm (4") subwoofer, this compact system fills the room with **rich, full sound.** Share the superior acoustics or use the headphone jack to enjoy private listening.

- Two compact speakers (2.5 W x 2) with a 10.2 cm (4") subwoofer for extra-impressive bass response
- Designed with wired on/off control and a headphone jack for private listening
- Speakers equipped with magnetically shielded drivers for interference-free enjoyment

BR386AA#ABB

HP Multimedia Speakers 2.0

They easily connect to your PC and deliver quality sound for music, movies and games – at an affordable price. The elegant, lightweight and compact design looks great anywhere in your home.
Plus, these speakers are easy to set up and have a great sound.

- HP Multimedia Speakers 2.0 deliver 1 W of power each for greater audio quality and crisp, clear sound
- Simple plug-and-play set-up
- Lightweight, and elegant design that saves space and looks good

BR367AA#ABB

HP Multimedia Speakers

- HP Multimedia Speakers deliver true, crystal-clear sound for your music
- Stylish, lightweight and small, they offer big sound and easilty connect to USB 1.1 or 2.0 systems
- Shielded to prevent image distortion on your monitor; made of environmentally-friendly materials

your content anywhere in your home

A new standard in HD wireless.

Share photos on the big screen, watch HD and 3D movies, and play PC games on your TV! HP's WHDI (Wireless Home Digital Interface) PC adapter streams breathtaking high definition 1080P content from your PC to the biggest screen in your home in Blu-ray® quality HD. Also supports Blu-ray® protected content. You'll wonder how you ever lived without it!

HP Wireless TV Connect

See your PC on your TV, wire-free!

- No wires. No delays. No hassles with HP's Wireless TV Connect. Wirelessly stream HD 1080P content from your PC to the biggest screen in your home. Watch movies. Play games. Update Facebook© & Twitter©. Surf YouTube®. Web chat. Share photos.
- In-home 3D thrills: Enjoy the ultimate 3D TV experience right in your living room
- 5-minute set up: There's no software to install, just plug and play

QE389AA#ABB

Specifications:

- PC requirements: 1 HDMI port and 1 available USB port
- TV/display requirements: 1 available HDMI port
- Streams full HD 1080P video at 30 FPS
- Supports 7.1 surround sound
- 10m range from any place in the room
- Less than 1mS latency

HP WIRELESS AUDIO

Your music wherever you want it, wire-free!

Love new gadgets? Love great sounding entertainment? HP Wireless Audio is just for you.
This state-of-the-art system transforms any PC into a fully-integrated wireless audio system.
Cutting-edge technology delivers the same uncompressed audio to four different locations in your home.
Your movies, music and games never sounded so awesome.

HP Wireless Audio

HP Wireless Audio turns any PC[1] into a fully-integrated wireless audio system.

- State-of-the art wireless sound with zero lag time. Just plug the USB dongle into your PC and the receiver into your existing powered speakers or stream directly to any wireless KleerNET speakers.
- Streams the same music in up to 4 stereo audio channels up to 30 meters away.
- HP Wireless Audio connects in few simple steps. This state-of-the-art software is so intuitive, it automatically "sees" your speakers and links them together. That's it. Pair it and forget it.

QF299AA#ABB

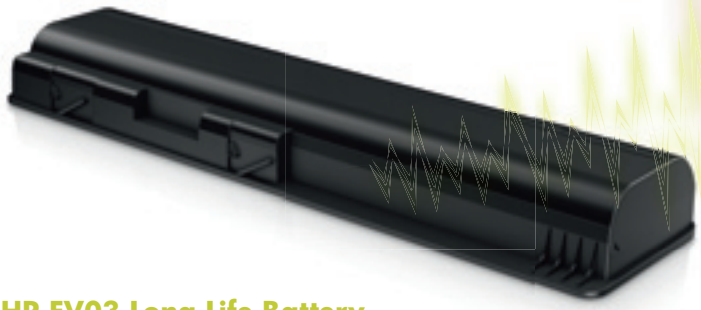
Specifications:

- PC requirement: available USB port
- Audio system requirement: connect with one of the 4 available connectors
- R/L Analog RCA jacks, 3.5 mm mini, TOSLINK line-out, Coax RCA-style S/PDIF
- Zero lag time

[1]Requires Microsoft® Windows® XP, Windows® 7, Windows® Vista™ operating systems.

power . and convenience

Perform longer and be kinder to Mother Nature!



HP EV03 Long Life Battery

Up to three years of waranteed performance. Safe, tested and easy to use, this HP Long Life Battery offers the equivalent capacity to traditional 6-cell batteries, with a smaller environmental footprint and a longer warranty than most other batteries.

get it all done in your home office

Build an efficient, great-looking home office that fits your working style.

It all starts with the HP USB 2.0 Docking Station, which uses universal USB technology to pass through critical signals such as video, LAN and peripheral connectivity (keyboard, mouse, printer). No need for a CD, this docking station has flash memory that stores installation-ready software drivers.

- Universal USB connectivity compatible with HP and other notebooks
- Video resolution: 1920 x 1080 (FHD), 1680 x 1050 (UXG) supported
- Plug and play - Onboard flash memory module with installation software
- OS compatibility: Windows XP, Vista and 7
- Ports include: 4 USB 2.0, DVI-I and Ethernet
